F.P.O. House of Delegates Elect New Member To American Board of Prosthodontics

DR. KENNETH D. RUDD

Dr. Kenneth D. Rudd was elected to the American Board of Prosthodontics to serve as examiner in the area of Removable Prosthodontics. His service will begin upon completion of the term of Dr. Chester K. Perry. Dr. Perry will complete his seventh year of service in August 1975.

As a result of the transfer of sponsorship of the Board of the Federation of Prosthodontic Organizations (FPO), a different procedure for choosing Board members has been instituted.

Each of the 18 member organizations of the F.P.O. may submit one or more names to the F.P.O. as their nomination for a member of the Board. All of these names are referred to a standing committee of the Federation known as the "Committee for Consultation with

the American Board of Prosthodontics." This Committee consists of five members, each serving for five years. One new member is elected annually.

This Consultation Committee screens the list of names submitted by the member organizations and nominates one or two of these to be a member of the American Board of Prosthodontics.

The nominees are presented to the F.P.O. House of Delegates. In addition, any delegate may make a nomination from the floor. The nominee who receives a majority of the votes of the F.P.O. House of Delegates is the new member of the American Board of Prosthodontics to serve for the next seven years.
